Zephyr 2

Checkpoint's Zephyr-2 RFID EPC Label is an RFID field programmable EPC data carrier designed for Merchandise Visibility applications. Zephyr-2 is ARC approved for Category M and delivers high read rate performance in semi-automated physical inventory control and RFID as EAS. Zephyr-2 is ISO18000-6C compliant and can be encoded and printed to carry EPC data in several formats, printed bar code and human readable text. Checkpoint's Zephyr-2 RFID adhesive label is the solution for all of your global supply chain merchandise visibility needs.
